

# Meet Our New Teacher

## Mrs. Roberts

### About Me

Hello! My name is Mrs. LaDonna (Robbins) Roberts. I graduated from Northwest Missouri (Maryville) with a teaching degree in early childhood, early childhood special education, elementary education and a master's degree. My husband's name is Jerry Roberts. He is a mechanic at Amcor in Centerville, Iowa. We have a grown son, Joey and two adopted daughters. Willow is my 17 year old daughter and will be a SENIOR this year. Oaklee is my 12 year old daughter and she will be in 7th grade this year. They both keep us very busy but we wouldn't have it any other way.

I have taught preschool previously for 15 years prior, I have taught first grade for 3 years and I have taught 12 years in Kindergarten all at Putnam County R-1. I am very excited to teach preschool at Seymour Community School this year and to get to know everyone!

### Fun Facts

- I have 5 older brothers and 5 older sisters
- God has blessed me. I have a huge loving family and some of the very best friends you could ever ask for!
- My sister and I are born on the same day exactly 10 years apart!
- I have always loved kids! I played "teacher" as soon as I got home from school everyday because I loved my Kindergarten teacher Mrs. Mary McClure. I would steal my sister's high heels and make them click down the hall and write on my walls in my bedroom with chalk pretending to be Mrs. McClure.
